Safety Protocol Check Sheet for Station Training

To be completed and included in Squad Training File

☑ **Check the box**

☐ Supervisor review of training plan

☐ Notifications to DPSC, PLC, Duty Officer, Area Units

☐ Instructor and Safety Officer identified and wearing traffic vests

☐ Training site swept to ensure it is clear of hazards and civilians. Out of play areas marked with crime scene tape. Measures taken to prevent civilians from entering the training environment

☐ Exterior training: No lightning or other dangerous inclement weather conditions

☐ All participants secure weapons. Instructor and Safety Officer conduct double checks, physically checking participants for weapons and ammunition prior to the training

☐ Training site security: Instructor and Safety Officer or other non-participant site security officers armed

☐ Training (Blue) weapons issued

☐ Radios on training channel

☐ Training and Safety briefing given. Remind students of "Red Light" procedures. Pre-training injury query

☐ **POST TRAINING**

- **Injury query**
- **All participants accounted for**
- **Participants made duty ready: weapons, radios on proper channel**
- **End of training notification made to DPSC, PLC, Duty Officer, Area Units**
