- **PLEASE ALLOW 4-6 WEEKS FOR DELIVERY.**
- **This application**, with Sections A, D (if applicable), and E, completed in full, **must be returned to the organization official for submission to PennDOT.** No applications sent directly to PennDOT by the organization member will be processed. The organization must complete Sections B and C. **NOTE:** Only applications for Volunteer Fire Fighter and Emergency Medical Services special organization registration plates may be mailed directly to PennDOT by the customer.
- To replace a lost, stolen or defaced registration plate that is damaged, but not beyond recognition, complete and submit [MV-44, "Application for Duplicate Registration Card or Replacement of Lost, Stolen or Defaced Registration Plate."](#) along with a photograph or tracing of the registration plate for identification purposes. A registration plate is considered to be defaced when the registration plate is damaged by a specific incident such as a traffic accident, cutting, scraping or damaged caused by intense cleaning or harmful chemicals. There is a fee to replace a defaced standard issue or specialty registration plate. If your registration plate is a personalized registration plate, it will be replaced with the same configuration as before at no cost. Personalized registration plates that are lost or stolen are not able to be replaced with the same configuration. If your personalized registration plate was lost or stolen, we will replace it with the same style of registration plate, however, customers will be required to select a new configuration. The registration plate will be produced with the new configuration if it is available. Please make sure to indicate that you are replacing a defaced personalized registration plate on the front of the [MV-44](#). If an immediate replacement registration plate is needed while waiting for your replacement personalized registration plate, please complete and submit a second [Form MV-44](#), and the replacement registration plate fee. A standard issue registration plate will be issued until the replacement personalized, lost or stolen registration plate can be provided. **NOTE:** The replacement personalized registration plate will take approximately 6-8 weeks to receive in the mail from the time PennDOT receives and processes the application. **NOTE:** The replacement standard issue registration plate will take 7-10 business days to receive in the mail from the time PennDOT receives and processes the application.

The vehicle owner is then responsible for signing and returning the completed [Form MV-46](#) to PennDOT in order to receive a replacement registration plate free of charge. Your registration plate will be replaced with the next registration plate in the series and with the same style of registration plate you are replacing. If your registration plate is currently personalized, PennDOT will replace it with the same style and configuration as the registration plate you are replacing. If replacing your personalized registration plate, please attach a photograph or tracing of the registration plate for identification purposes. **If an immediate replacement registration plate is needed while waiting for your illegible personalized registration plate, please complete and submit [Form MV-44, "Application for Duplicate Registration Card or Replacement of Lost, Stolen or Defaced Registration Plate,"](#) and the replacement registration plate fee.
